

Autumn Term – 2018

Year 5 and 6

Who were the Tudors?

This term year 5 and 6 will be studying the Tudors through English, history, art and DT. Our topic will begin by studying the Tudor timeline. We will investigate the impact that Henry VIII had on Britain during his reign. Over the course of the topic we will be studying Macbeth which will inspire a wealth of writing opportunities. We will conclude our topic by learning about Queen Elizabeth I and the Spanish Armada.

Through art and DT, we will look at symbolism used in portraits and the significance of the Tudor Rose.

We are very lucky to have History Off the Page coming in to host a 'Tudor Experience Day' on Wednesday 14th November 2018 which is kindly being funded by PACE.
