

Nursery Class Autumn Term

This term our topic will be
Nursery Rhymes and Traditional Stories

Over the course of the topic, we will be focusing on:

- Joining in with and reciting simple rhymes
- Recite numbers to ten through number rhymes
- Complete The Rhyme Challenge learning rhymes at home
- Listening to and joining in with stories and poems, one to one and in small groups
- Talk about why things happen and how things work

The focus for the first few weeks of this term will be supporting your children as they learn to use the Nursery environment independently, and leave parents and carers confidently.
