

Year 3

This half term in year 3 we will be learning all about rivers!

During this topic we will answer the following questions...

What is a river?

How are rivers formed?

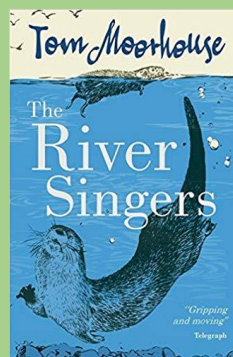

What are the different parts of a river called?

Where do rivers go?

What is a dam?

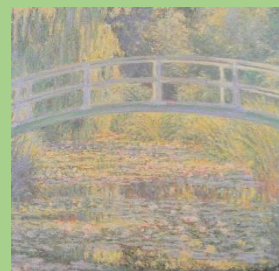

What is the water cycle?

Why are rivers important to humans and animals?

Year 3 will be reading 'The River Singers' and will plan and write their own stories set around a river.

In art year 3 will be inspired by Claude Monet's paintings and create some of their own.

Year 3 will be researching and writing information about important UK rivers.

They will also explain the process of the water cycle.
