

Return to school Social Story Year R - sister

        
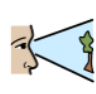

I am going back to school soon because I am in

   
Reception Year.

         
It is safe to go back to school in small groups but not

          
My sister cannot go back to school yet. She will still be

    
learning at home.

         
I am looking forward to seeing my friends and teachers.

         
I might not be in the same classroom but I will

     
have fun back in school.
