Eastcote Primary Academy

Learner Acceptable Use of Technology Policy

1. I, with my child, have read and discussed Eastcote Primary Academy's learner acceptable use of technology policy (AUP) and understand that the AUP will help keep my child safe online.
2. I understand that this AUP applies to my child's use of academy devices and systems on site and at home, and personal use where there are safeguarding and/or behaviour concerns.
3. I am aware that any use of academy devices and systems is monitored for safety and security reasons to keep my child safe and to ensure policy compliance (Smoothwall). This monitoring will be proportionate and will take place in accordance with data protection, privacy, and human rights legislation.
4. I am aware that the academy mobile technology policy states that my child cannot use personal mobile phone technology on site and won't connect to the academy WiFi.
5. I understand that my child needs a safe and appropriate place to access remote learning if the academy is closed for any reason. I will ensure my child's access to remote learning is appropriately supervised. When accessing video learning, I will ensure they are an appropriate location (e.g. not in bed) and that they are suitably dressed.
6. I understand that the academy will take every reasonable precaution, including implementing appropriate monitoring and filtering systems, to ensure my child is safe when they use academy devices and systems. I understand that the academy cannot ultimately be held responsible for the nature and content of materials accessed on the internet or if my child is using mobile technologies.
7. I, with my child, am aware of the importance of safe online behaviour and will not deliberately upload or add any images, video, sounds or text that could upset, threaten the safety of or offend any member of the academy community.

8. I understand that the academy will contact me if they have concerns about any possible breaches of the AUP or have any concerns about my child's safety.
9. I will inform the academy or other relevant organisations if I have concerns over my child's or other members of the academy communities' safety online.
10. I know that my child will receive online safety education to help them understand the importance of safe use of technology and the internet – both in and out of academy.
11. I will support the academy online safety approaches. I will use appropriate parental controls and will encourage my child to adopt safe use of the internet and other technology at home, as appropriate to their age and understanding.
