

Eastcote Primary Pupil premium strategy statement 2023-2024

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Eastcote Primary Academy
Number of pupils in school (not including nursery)	237
Proportion (%) of pupil premium eligible pupils	2%
Academic year/years that our current pupil premium strategy plan covers (3-year plans are recommended)	3 Years
Date this statement was published	September 2023
Date on which it will be reviewed	September 2024
Statement authorised by	Professor Linda Drew
Pupil premium lead	Rebecca England
Governor / Trustee lead	Michael Gore

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£7275
Recovery premium funding allocation this academic year	£2000
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£ 9275 Total spend for the Academic year £9280

Part A: Pupil premium strategy plan

Eastcote
Primary Academy

Statement of intent

At Eastcote we work together with parents and the wider community to support, challenge and inspire children through a creative and engaging curriculum. Pupils are encouraged to take responsibility and ownership of their learning, empowering them to become independent inquirers. As a result, children are curious and excited about learning and develop a love of it. They leave ready to embrace life confidently, and flourish in our diverse world as caring internationally minded citizens. Our intention is that we use the Pupil Premium Grant to enhance provision and opportunity linked to our core values.

Core Values

Our core values are **Aspire, Learn, Laugh, Love**.

Aspire - to be the best people we can be and to do the best we can,

Learn - both intellectually and morally,

Laugh - as often as possible- everyday!

Love - one another as a community.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Our Pupil premium children lack a wealth of cultural capital experiences which limits their ability to explore their imagination or peak their curiosity.
2	Families are often unaware of how to support their children and do not always have the skills to do so.
3.	40% of PPG Ch have SEN.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
All PPG children are attaining and or progressing at the expected level	Children in receipt of Pupil Premium grant will attain expected outcomes for their year groups and or have made good progress from their starting points.
Children will have gained cultural capital through a broader experience of the arts and sport	Children will have experience dance, theatre, music and art from real-life experiences and expert teaching.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £2710

Eastcote
Primary Academy

Activity	Evidence that supports this approach	Challenge number(s) addressed
ELSA provision Specific TAs trained in ELSA to deliver emotional support and supervised	Helping children to self-regulate and to build their social and emotional resilience and understanding means that they are able to access the academic learning that is being taught to them. The EEF states that the teaching of metacognition and self-regulation has an impact of 7 months whilst social and emotional learning interventions add 4 months.	1, 2, 3

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £3920

Activity	Evidence that supports this approach	Challenge number(s) addressed
Tutoring 1:2 KS1 and 2 Tutor to support gaps in Reading, Writing and Maths for individuals	Gaps can be actively assessed and responded to dynamically. The EEF states that small group tuition can add up to 4 months of learning.	2 and 3
Ta support in class	Gaps can be actively assessed and responded to dynamically.	2 and 3

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £2650

Activity	Evidence that supports this approach	Challenge number(s) addressed
Theatre Company in school partly funded by PACE £1000	Arts participation is shown by the EEF to have a 2-month impact on learning.	1
After school Clubs A range of sports and activities clubs are available. These have been planned around the context of the school and in discussion with the pupils and their needs. £975	Sports participation is shown by the EEF to have a 2-month impact on learning.	1
Cultural Capital Opportunities Funding of trips, experiences and clubs for all PPG children including Year 6 residential. £675	Children from disadvantaged backgrounds may not have the same opportunities socially and culturally as their non-disadvantaged peers. By enabling them to access the same opportunities we are able to open up a variety of experiences for them.	1

Total spend for the Academic year £9280

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2022 to 2023 academic year.

Thanks to the grant PPG children have all benefited from experiences that they would not have had without the grant such as visiting sports events, taking part in residential experiences and other educational visits. 100% of our PPG children attained expected in reading at the end of Key stage 2. Children that were in receipt of the grant scored average scaled scores of 96 for maths and 107 for reading.

Across the school 100% of children have made expected progress across the curriculum. Children with SEN have met targets set in line with their personalised plans.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider
Times Table Rock Stars	Maths Circle Ltd
