

      
I am going back to school soon.

          
I have been at home doing my school work but now I

    
am going back to school.

         
I will see my friends and my teachers.

        
I might not be in my normal classroom.

          
Playtimes and lunchtimes might be at different times.

        
It is now safe to be back in school but I must still

   
wash my hands regularly.

I cannot hug my friends or teachers or even hold their hands.

I can hug my family when I get home.

I am looking forward to going back to school but if I am

worried about anything I can talk to an adult in school.
