

Home Learning

We hope you and your families are well, and are adjusting to this (hopefully) short period of home learning. We can't wait to all be back together, but until then...

Online Learning

You can access your home learning via the Showbie classroom

- Work will be put on Showbie for your child everyday.
- In order to receive feedback you must submit your child's work by 3pm the day after it has been set.
- Tasks will be deleted the day after they have been set at 3pm.
- If your child has not engaged in their online learning we will call you after a few days to check that you are OK

Daily register for **key stage 2** pupils

Every morning there is a live register session. The link to this has been emailed, and is also available on Showbie.

After the register is taken the class teacher will explain the Showbie tasks for the day and answer any questions the children may have.

Reception, year 1 and year 2 reading

Book deliveries will be on a Thursday. If you wish to exchange your child's book without contact, please leave the current book (and reading record if you have it) in a clear bag in a visible location (eg in the porch, on the windowsill) and we will know to exchange.

Thank you for your continued support.
